Spring / Summer 2022

saucony 

**What we make transforms people into runners.
All paces. All places. Everything we do is designed to
make running feel better, so you feel faster.
Now we're giving you more, so you can get more.**

All so your best today can be crushed again, tomorrow.

saucony

The Breakthrough Formula

Our game-changing innovations help you break through. On the run, and off. Over and over again. Here's how we make it happen.

Softer

PWRRUN PB superfoam. Ultra-soft PWRRUN+. Springy PWRRUN. Each blend of our signature cushioning gives you a plush feel with incredible energy return. It's a "wow this feels good" feeling—every run.

Smother

The secret to an amazing run? Geometry. It touches everything from the curve of a midsole, to its offset, flex grooves and more. It's all the science that adds up to a simply effortless ride.

Bolder

Lead the pack in bolder-than-ever shoe and apparel designs. Distinct silhouettes, sleek lines, and eye-catching colors from head to toe help you stand out.

Lighter

More performance in lighter-than-ever shoes? Check. And we don't stop at weight—we're continuing to weave more sustainable materials into every new performance style we make.

Tempus

It's about time.
Built on a superfoam-fueled guidance system, the all-new Tempus is the key to a smoother, faster run. Get max energy return from a core of PWRRUN PB cushioning, while a contoured PWRRUN Frame supports and propels you to a snappy takeoff. With signature midsole geometry and an unbeatable fit, the result is just the kind of ride you've been waiting for.

- Double up on cushioning.**
PWRRUN PB gives you max energy return while a contoured PWRRUN Support Frame provides seamless support.
- A faster, smoother stride.**
PWRRUN Frame supports your foot upon landing and its curved shape propels you to a snappy takeoff.
- Unbeatable fit.**
With deeper contouring into the midsole, you sit into the shoe, instead of on top of it, for an incredibly personalized and supportive fit.
- Lighter footprint.**
This style is vegan and contains recycled upper materials..

Ride¹⁴

Are you in for the Ride?
The evolution of the reliable Ride 14 combines the comfort and cushioning you'd expect with a bolder, faster design you'll want to wear well past the run.

- Consistently good cushioning.**
PWRRUN cushioning continues to provide just the right amount of softness, yet responsive enough to tackle as many miles as you wish.
- Bolder and faster.**
Inspired by wear testing and consumer feedback, the updated shape and handcrafted feel deliver a sleek, secure profile that's faster and more dynamic than before.
- Slipper-like fit.**
The clean look of FORMFIT combines a new and improved engineered mesh to optimize breathability with a lighter, thinner internal construction for a comfortable and custom fit.
- Lighter footprint.**
This style is vegan and contains recycled upper materials..

Ride¹⁵

Pump up the volume.
The completely redesigned Ride 15 is exactly what happens when softness, fit, and lightness all come together for an unbelievable running experience. Newly formulated PWRRUN gives you more soft cushioning with less weight (a whole ounce less), and new fit and contouring mean you can expect a wildly smooth ride out of this go-to shoe.

- Lighter. Softer. Faster.**
A new softer PWRRUN formula means a thicker stack of cushioning with less weight, for your springiest run yet.
- Heel-to-toe smoothness.**
New heel and forefoot beveling gives you a smooth stride, propelling you effortlessly from heel to toe.
- Fits like a dream.**
With deeper contouring into the midsole, you sit into the shoe, instead of on top of it, for an incredibly personalized and supportive fit.
- Lighter footprint.**
This style is vegan and contains recycled upper materials..

Guide¹⁵

Runs smooth. Feels amazing.
Every bit of the Guide 15 was designed with three things in mind: total comfort, a light feel, and an unbelievably smooth ride. It's softer, it's springier, and it's made to hug your foot like nothing else you've put on before. Delivering the running experience of your dreams, only it's very, very real.

Lighter and smoother every step of the way.

With a softer, lighter PWRRUN formula and more midsole beveling, you get a thicker stack of cushioning and an incredibly smooth ride from heel to toe.

Support that lets you fly.

HOLLOW-TECH gives you the underfoot support you need, but in a lightweight and minimalistic way.

Fits just right.

By carving out the midsole and creating a deeper footbed, you sit into the shoe, instead of on top of it, for an incredibly supportive fit.

Lighter footprint.

This style is vegan and contains recycled upper materials..

Omni²⁰

Same heart. New sole.
The Omni 20 continues to impress runners with its signature support and oh-so-smooth ride. With improved fit and a smoother ride, it proves you don't have to sacrifice comfort for stability. What better way to celebrate the 20th anniversary of a Saucony Classic?

More feel-good cushioning.

PWRRUN cushioning provides just-right softness and a springy, more responsive feel than you'd expect from a shoe this supportive.

Smooth stability.

Plenty of underfoot support pairs with a more contoured shape giving you a super smooth feel with every stride.

Stable doesn't mean stiff.

With foot-hugging FORMFIT and a more flexible outsole, the Omni delivers the perfect ride for lots of easygoing miles.

Lighter footprint.

This style is vegan and contains recycled upper materials..

Echelon⁸

A feel-good ride that accommodates all who run.
For those who need a protective shoe that meets a wide-range of needs, the generous and accommodating Echelon 8 welcomes them with feel-good cushioning, a balanced and stable ride, and a secure fit.

More feel-good cushioning.

New PWRRUN cushioning provides just-right softness and a springy, more responsive feel for endless miles of comfort.

Stable as ever.

The shoe's solid foundation feels even more stable thanks to a new lightweight midfoot support panel.

Generous and secure fit.

Those with orthotics, or flat and voluminous feet find comfort in the spacious FORMFIT construction, made even more secure with a new 3D heel counter.

Kinvara¹³

We make it light. You make it fast.
When it comes to lightweight speed, nothing crushes the competition like the Kinvara. And this just so happens to be our lightest one yet. With more speed contouring and its signature flexible feel, it pushes you forward without holding anything back. These are the shoes you'll do big things in.

Built to be fast.

The Kinvara 13 was literally designed for speed. Its beveled midsole and new midfoot contouring deliver a smoother, faster ride.

An upper that'll take down the competition.

Its re-imagined upper is made with a single-layer mesh, giving you a lightweight feeling and even more breathability.

Lighter. Faster. Stronger.

We created the lightest Kinvara ever to help you truly take off. It's 7.2 ounces of pure speed.

Endorphin Trail

Race to the top. Faster.
The Endorphin Trail takes our revolutionary, race-ready SPEEDROLL Technology off-road for the first time, delivering a running experience like no other. This lightweight yet maximally cushioned shoe will carry you up, down, and over even the gnarliest of trails, taking speed to a whole new elevation.

- Rolling hills meet their match.**
Revolutionary SPEEDROLL Technology and PWRRUN PB go off-road, propelling you over trails effortlessly.
- Packed with grip.**
A thin but mighty PWRTRAC outsole with an ascent/descent-friendly lug configuration is all you need for off-road confidence.
- Just-right fit and protection.**
Comfortable, quick-fit trail sleeve gives you added protection from dirt and debris.
- Lighter footprint.**
This style is vegan and contains recycled upper materials..

New

Xodus Ultra

Fit to go the distance.
The Xodus Ultra was built for the most demanding of trail endeavors, designed to go the distance from top to bottom. It's roomier and comfier with a brand-new 6mm last and built with mountain-ready grip and protection from heel to toe. Big on support and light on weight, nothing can hold you back from taking on all the miles that lie ahead.

Our first priority? A reimagined last.

Everything about the Xodus Ultra was made to go the distance, starting with its new 6mm last, designed specifically to give you more room and comfort as you tackle mile after mile.

Double up on cushioning.

Get max energy return with a full-length core of ultralight PWRRUN PB, and added durability and support with a resilient PWRRUN Support Frame.

More flex. More grip.

A redesigned 3-piece PWRTRAC outsole gives you incredible traction on uneven terrain with increased flexibility for a smoother stride.

Lighter footprint.

This style is vegan and contains recycled upper materials..

Peregrine¹²

Your pathfinder with a pedigree.
Named for the fastest bird on Earth, the incredibly light and agile Peregrine 12 more than lives up to its name. With better traction and more protection, nothing gets between you and the trail ahead. Lighter, faster, and more comfortable than ever, your trail run just got exponentially more fun.

Lighter. Faster. Infinitely more fun.

Over an ounce lighter than its predecessor, the Peregrine 12 delivers more speed for an incredibly fun trail outing.

Never skip a beat.

Ditch debris with a redesigned lug pattern, while PWRTRAC rubber ensures maximum traction and grip. There's no amount of rugged terrain you can't tackle.

Better protection rocks.

A new and improved rock plate sheds moisture and gives you more flexibility for each and every step.

Lighter footprint.

This style is vegan and contains recycled upper materials..

Peregrine¹² ST

Master of the alternate route.
Trail running just got exponentially more fun and it's all thanks to the lighter, faster, more protective Peregrine 12 ST. It's a full ounce lighter than its predecessor, it can handle the wettest and muddiest of terrain, and it's designed to shield you from everything you encounter. So you can head straight for the messiest conditions with confidence.

Lighter. Faster. Infinitely more fun.

Over an ounce lighter than its predecessor, the Peregrine 12 ST delivers more speed and more fun on the trail.

Dig-deep traction.

Deeper multi-directional PWRTRAC lugs give the ultimate grip, specifically made to handle wet, muddy terrain.

The ultimate shield.

The debris-resistant upper is reinforced with 3D-printed overlays and a mesh shield over the tongue for ample protection.

Lighter footprint.

Peregrine^{ICE+}

Get a grip on winter running.
This weatherized take on our award-winning Peregrine trail shoe is just what you need to keep your pace up all winter long. A protective upper combines with Vibram Arctic Grip Technology for outstanding traction in wet, slippery conditions, giving you the confidence to tackle treacherous trails and roads alike.

- Your most confident strides.**
Vibram Arctic Grip Technology provides unparalleled traction in wet, slippery conditions, so you can take to the trails and roads at full speed, all winter long.
- Feels responsive and plush.**
PWRRUN cushioning provides just-right softness that's springy and responsive for both your warmup run to the trailhead and the day's adventures beyond.
- Run through anything.**
Its weather-resistant upper helps keep you going through rain, snow, mud and whatever else you encounter out in the wild.
- Lighter footprint.**
This style is vegan and contains recycled upper materials..

Canyon TR²

Road to rugged.
For trails, roads, and everything in between, the Canyon TR2 is the perfect crossover. With springy PWRRUN cushioning and low-profile trail features, you can bag miles anywhere and any way you like.

- Versatile, off-road grip.**
Its low-profile PWRTRAC lugs provide plenty of off-road grip while still making the transition from road to trail and back again feel smooth.
- All-terrain comfort.**
PWRRUN cushioning provides just-right softness that's springy and responsive enough to tackle uneven terrain.
- Rugged good looks.**
Get added protection and durability with a comfortable engineered mesh upper that's reinforced with a flexible 3D-printed film.
- Lighter footprint.**

Technology Glossary

COMFORT LITE SOCKLINER

Molded sockliner designed to hug the heel, provide support and reduce pressure in the forefoot. Designed with EVA foam for added cushioning.

FORMFIT

360-approach to fit that ensures a secure, customized feel from top to bottom. Combines an underfoot cradle construction with soft cushioning and flexible upper materials that mold to the shape of your foot.

FOUNDATION PLATFORM

Provides a highly versatile, accommodating fit and feel designed to maximize comfort and support. Specifically designed for compatibility with orthotics or shoe inserts.

GEOMETRY

Everything from the curve of a midsole to its strategic offset, flex grooves and more. All the engineering that adds up to an effortless ride.

HOLLOW-TECH

A lightweight, minimal TPU support structure that guides your stride without added bulk.

iBR+

A light and cushioned blown rubber that is both durable and soft.

OFFSET

Heel-to-toe differential of the shoe, inclusive of the midsole and outsole measurements.

PWRRUN^{PB}

Exceptionally bouncy and soft, this beaded PEBA-based superfoam delivers high-performance energy return and durability in an incredibly lightweight package.

PWRRUN+

Formulated for the softest underfoot feel, this PU-based foam gives you more cushioning with less weight for an unbelievably plush and springy ride.

PWRRUN

Light and springy EVA-based cushioning that gives you long-lasting energy return with a soft feel.

PWRRUN FRAME

Works in tandem with a high-cushion core to support and power the stride.

PWRTRAC

Trail-specific outsole rubber that gives you exceptional traction and grip with the durability to withstand rough terrain.

SUPPORT FRAME

Molded support locks the heel in place for a secure, stable fit.

SPEEDROLL

A blend of max cushioning and speed geometry that fuels you with non-stop momentum, so you can run faster, not harder.

TRI-FLEX

Outsole design that protects from impact and flexes with the movement of your stride.

VIBRAM ARCTIC GRIP®

Vibram Arctic Grip® Technology provides unparalleled traction in wet, slippery conditions.

VERSARUN

Durable EVA-based cushioning that feels responsive and performs across all kinds of activities.

XT-900

Premium carbon rubber outsole material that offers exceptional traction and durability.

XT-600

Carbon rubber outsole material that offers long-lasting durability and traction.

Terms & Conditions

Orders

All orders are subject to acceptance by Saucony, Inc. (hereinafter called SAUCONY).

Weights

Weights listed for shoes are approximate and may vary. All shoe weights are examples based on a men's sample size 9 and women's sample size 8. Weights will vary by size.

Prices

Prices are subject to change without notice. At-once orders will be invoiced at the prices prevailing at the time of shipments. Prices are not guaranteed except under SAUCONY's booking programs.

Terms of sale

All SAUCONY goods shall be sold F.O.B. shipping point. Payment for all SAUCONY goods sold on open account will be due and payable pursuant to the terms and conditions stated on SAUCONY's invoice. The terms and conditions contained herein and in any SAUCONY Sales Orders take precedence over any terms and conditions set forth in Customer's Purchase Order or other similar document. Any sums not paid within net terms are subject to a late charge at the rate of the less or 1.5% of such amount per month (18% per year), or the highest rate permitted by law, until such amount is paid. Applicant shall pay costs, expenses and reasonable attorney's fees as SAUCONY may incur in any manner of collection of any sums past due. These terms of sale shall be constructed under Massachusetts law. Any proceeding arising out of, or in connection with, this agreement may be brought in any state or federal court of competent jurisdiction within the state of Massachusetts, and the Customer consents to the jurisdiction of such courts.

Cancellations/Revisions

Any request for cancellation or revision of an order for SAUCONY goods must be made through the SAUCONY Customer Service Team. A request to cancel an order which has been entered into SAUCONY's order system must be made, in writing, at least three (3) weeks prior to the requested need date and is subject to SAUCONY's approval. During booking season, we begin shipping orders two (2) weeks before the requested ship date in order to accommodate the volume of orders we receive. Cancel dates are strictly adhered to.

Loss or damage in transit

SAUCONY shall not be responsible for SAUCONY goods lost or damaged in transit. Customer shall be responsible for checking its shipment upon delivery for total carton count and condition. Any shortage in total carton count or evidence of damage to SAUCONY goods must be noted on the carrier's delivery receipt and reported to the carrier's local office immediately upon receipt of goods.

Shortages in unopened cartons

All shortages must be reported to the SAUCONY Customer Service Team within ten (10) days from the date of SAUCONY's invoice. Customer shall be required to furnish SAUCONY with an invoice or shipping order number and an itemization of all shortages/overages by product code, size and quantity. Incomplete claims and claims filed more than thirty (30) days after the SAUCONY invoice date will not be accepted. Customer shall be required to furnish Customer's claim number, if any, when reporting a claim.

Back orders

All back orders shall be shipped F.O.B. shipping point. No deductions are allowed for freight, parcel post or UPS charges. All back orders not shipped within thirty (30) days of the requested ship date will be canceled unless otherwise requested in writing by Customer.

Defective returns

Returns of defective shoes must be authorized in advance by SAUCONY Customer Service. SAUCONY will issue the appropriate number of return authorization labels to Customer. All defective returns must have a valid SAUCONY return authorization label affixed to the outside of each carton. Cartons delivered without a valid return authorization label will be refused by SAUCONY. Returns must state what is defective on each shoe. Customer shall not package returns to stock with defective returns.

Authorized defective returns are to be shipped to:

*Wolverine Worldwide Canada ULC
6225 Millcreek Drive
Mississauga ON L5N 0G2*

SAUCONY, in its sole discretion, will determine whether the goods are defective. If Customer does not provide the invoice number at the time of return request, SAUCONY shall credit Customer for defective returns at the prices prevailing on the date the credit is issued.

Return to stock

All returns to stock of SAUCONY goods must be authorized in advance by SAUCONY Customer Service. Request for authorization to return SAUCONY goods must be made within thirty (30) days from the date of SAUCONY's invoice. SAUCONY's shipping order number or invoice number shall be required on all return to stock claims. SAUCONY will issue the appropriate number of SAUCONY return authorization labels to Customer. All returns to stock must have a valid SAUCONY return authorization label affixed to the outside of each carton. Cartons delivered without a valid SAUCONY return authorization label will be refused by SAUCONY. All returns to stock must be shipped prepaid. If the return to stock is due to a SAUCONY error, SAUCONY shall credit Customer for the return shipping charges upon receipt of Customer's freight bill. If return is due to a packing or shipping error, the original packing slip must be included with the return authorization. Without the packing slip, SAUCONY shall credit all returns to stock at prices prevailing on the date credit is issued. All returns to stock will be assessed a fifteen percent (15%) restocking charge unless the SAUCONY goods were shipped in error by SAUCONY.

Authorized new (return or stock) returns are shipped to:

*Wolverine Worldwide Canada ULC
6225 Millcreek Drive
Mississauga ON L5N 0G2*

Additional charges will be assessed if re-boxing, unlacing, re-bagging or removal of Customer tags is necessary.

Refused shipments

Freight charges and restocking fees may be applied to refused shipments.

Closeouts

All SAUCONY merchandise that was shipped with Customer consent will not be considered for return. The shipments are on a ship and cancel basis and are final at the time of shipment.

Consignment inventory

SAUCONY does not sell inventory on consignment. Customer is responsible for acceptance and payment of inventory sold under Terms and Conditions stated here.

Transshipping

Customer shall not sell SAUCONY goods to another retailer, distributor or broker; within or outside of the United States, without SAUCONY's expressed written consent. Violation of this condition may result in termination of Customer's account and legal action.

Distribution channels

Customer is prohibited from either (1) selling any SAUCONY products, through telephone solicitations, mail and direct order solicitations, on or in connection with catalogs, or through electronic commerce or any other electronic means (including but not limited to the Internet or any on-line services); or (2) advertising or promoting any SAUCONY products, or in any manner using the SAUCONY name or any mark or logo of SAUCONY, by electronic commerce or any other electronic means (including but not limited to the Internet or any on-line services), without the prior written approval of SAUCONY for any such sales or advertisements. SAUCONY may grant or withhold approval in its sole discretion, and any approval shall be subject to such terms and conditions as SAUCONY deems desirable.

saucony

The Saucony logo graphic is a stylized white swoosh that curves upwards and to the right, ending in a shape reminiscent of a bird's head or a wing. It features three small black dots along its upper curve.
